Charly Emery

Personal Strategist | TV Personality | Author

Serving up simple, savvy & straightforward strategies for life & love.

The self-help paradigm is shifting as more individuals want the straight skinny on how to improve their bottom line in life and love. Charly Emery brings the fresh business approach people are craving by focusing solely on results. She intuitively pinpoints what's causing the results you're getting and creates an effective strategy

for generating those you want.

Charly Emery, a personal strategist and television personality, is author of the new book *Thank Goodness You Dumped His Ass —Use Those Mr. Wrongs to Lead You Straight to Mr. Right*. In it she skillfully integrates emotion and logic to deliver a savvy and straightforward strategy for today's modern day women to leverage their business skills and elevate their love stats.

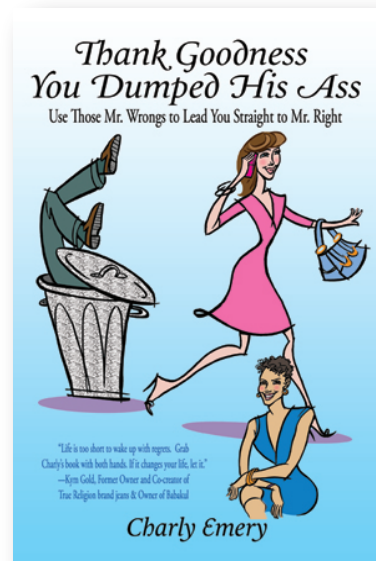

“Current empowerment and independence concepts have become muddled in a way that is disempowering women in love daily. My no-nonsense business approach to attracting relationships clears up the confusion so women's soaring independence enhances their relationships rather than hampering their personal power in the realm of love.”
—Charly

Charly Emery possesses a background in corporate consulting, personal development and most significantly, life experience. A trauma survivor herself, she's transformed virtually every aspect of her life. She's a practical high intuitive who uses her skills to pinpoint the root causes for personal blocks in combination with a solution oriented focus to provide clear cut strategies for yielding the outcomes people desire.

BIO: Charly Emery is a personal strategist and television personality who is highly coveted for her hip and savvy, business approach to life. The author of the new book, *Thank Goodness You Dumped His Ass —Use Those Mr. Wrongs to Lead You Straight to Mr. Right*, Charly has a background in corporate consulting and personal development. A trauma survivor herself, she's intimately familiar with healing and identifying blocks thus speaks directly from personal experience. Known for cutting to the chase to get immediate results, Charly is a dynamic speaker and on-camera talent who knows how to keep it simple, direct and effective.
